Parking & Transportation Services

PARKING AND TRANSPORTATION SERVICES is responsible for providing and maintaining all parking facilities and transportation services on campus. There are more than 17,800 parking spaces, 10 parking garages and 37 surface lots of various sizes and configurations. Our transportation services include a fleet of 36 shuttle buses serving 19 off-campus student residential communities, Central Florida Research Park and the entire UCF campus community. Parking Services also offers other services, including vehicle jumps and temporary and visitor parking permits. Students, faculty and staff may purchase regular parking permits online at parking.ucf.edu.

INFORMATION AND POINTERS:
